

AIWMI partners with Symbiosis School of Banking & Finance for the prestigious global certification- Certified Credit Research Analyst (CCRA)

The Association of International Wealth Management of India (AIWMI) has announced its partnership with the Symbiosis School of Banking and Finance (SSBF) for its prestigious global certification - Certified Credit Research Analyst (CCRA) which is now approved by RBI & IBA under the capacity building committee initiative for Indian banks.

SSBF will be offering the CCRA certification through an exclusive scholarship to the students of MBA- Banking and Finance at the end of their 1st year. The announcement was made on 29th March 2018.

This initiative by AIWMI and SSBF will help students with better job opportunities, practical knowledge, access to industry's leading analysts, and to become more market savvy. Today banking & credit markets are becoming more future oriented and data analytics, technology and artificial intelligence are helping financial institutions be on the forefront of innovation. The playing field of credit risk professionals, consultants and managers is continually changing. Developments in financial markets and updates in regulatory frameworks make it a challenging field that makes it vital for a candidate to stay on top of his game.

“AIWMI has been at the forefront of credit research education in India through its flagship certification- **Certified Credit Research Analyst (CCRA)**; the annual industry event- **Credit Summit India**; the annual national competition for Business School students – **Credit Research Challenge**; the innumerable knowledge workshops and last but not the least the exemplary research and advocacy work done over the past 5 years. We are delighted to partner with Symbiosis Institute of Banking & Finance- one of the most respected names in professional education in India. We are looking forward to working together with SSBF in our capacity building initiatives for the Indian banking and credit community”- said Mr. Aditya Gadge, CEO- AIWMI.

CCRA certification is an industry aligned certification. With this association we are expecting new recruiters visiting our campus. – Dr.Manisha Ketkar, Director, SSBF

About CCRA:

The Certified Credit Research Analyst (CCRA™) is a comprehensive global education program designed to give an expert level understanding of credit markets to fresh graduates and experienced professionals. It integrates the fundamentals of financial analysis, credit analysis, rating methodologies, credit strategy and structuring. It offers the tools a candidate needs to occupy key positions in the world of finance, private banking, credit ratings and fixed income domain.

The CCRA is being jointly offered by Association of International Wealth Management of India (AIWMI) & National Institute of Securities Markets (NISM).

About AIWMI:

The Association of International Wealth Management of India (AIWMI) is a not-for-profit organization and a globally recognized membership association for finance professionals. AIWMI primarily focuses on the broad and strategic role of developing a more robust and forward-looking training infrastructure for the financial services sector and to promote more active industry involvement and collaboration in training and continuing education.

AIWMI offers advanced international certification programs along with a wide variety of high-quality executive education programs. AIWMI programs combine state-of-the-art knowledge and skills with practical experience and insights into the functioning of the financial sector.

About SSBF:

Symbiosis School of Banking & Finance was established to address the growing demand for trained workforce in the Banking and Financial Services Sector. Given that a strong and resilient banking system is critical for fuelling and sustaining growth, the importance of having industry-ready manpower cannot be over-emphasized.

This programme - MBA (Banking and Finance) has been designed to provide the necessary education and skill-sets to equip students to innovate, manage, lead and take on the challenges of this increasingly complex and dynamic sector. SSBF is committed to providing an environment that facilitates learning and development of well-rounded personalities such that they leave the portals of the institute as industry-ready professionals.
